NHS Type 2 Diabetes Path to Remission Programme

NHS

Cornwall and
Isles of Scilly

WEBINARS FOR YOUR PATIENTS

Invite your patients to our webinars to learn about type 2 diabetes remission, or join a practitioner session for referral support.

Patient Webinars

Practitioner Webinars

QOF Points

By referring eligible patients to the NHS Type 2 Diabetes Path to Remission programme, your practice contributes towards achieving diabetes QOF indicators, supporting the attainment of **QOF points** and associated income.

Programme Updates June 2026

PRACTICE SPOTLIGHT: COLLABORATION IN ACTION

This month, we're celebrating practices that have collaborated closely to boost referral quality and quantity.

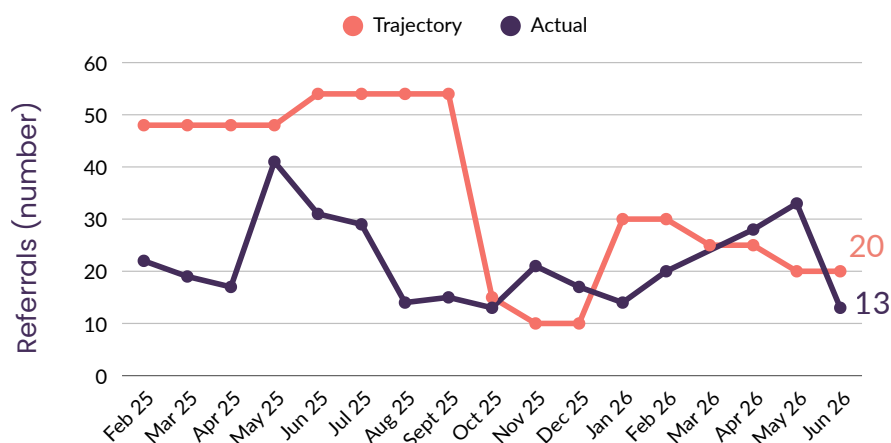

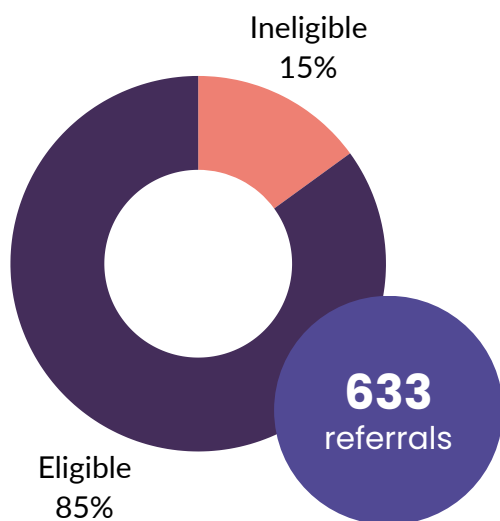

- Harris Memorial Surgery
- Veor Surgery
- Middleway Surgery

Key Programme Metrics

Referrals received to date: **633**

Completed 12 weeks: **290**

Because of your referrals, patients have lost
9% of their body weight in just 12 weeks!
